

John Lester Lerog Nacino

im.lester.nacino@gmail.com | 0960 871 8175 | Naic, Cavite, Philippines

A highly motivated and adaptable individual seeking an internship to gain practical experience, enhance professional skills, and contribute positively to the organization's growth. Passionate about learning and committed to delivering high-quality results.

Education

Cavite State University - Naic Campus

Bachelor of Science in Information Technology, September 2021 – Present

Experience

Cristinedel Realty and Services Company

Website Data Administrator, February 2025 – June 2025

Skills

HTML, CSS, JavaScript, PHP, MySQL, Python

Projects

TICKITA: Support Ticketing Management System with Task Tracking and Satisfaction Feedback (Capstone Project)

TICKITA is a web-based assistance designed to streamline user support procedures. It allows organizations to handle, track, resolve support tickets, track job progress, and collect user satisfaction data. As part of our Capstone Project, I conducted extensive research, user needs, industry standards, and documented the system's architecture, features, and user manuals for ease of use.

Personal Portfolio (Personal Project)

The Personal Portfolio Website is a self-designed, interactive platform that showcases about me, my skills, my projects, my experience and my accomplishments. (<https://lesternacino.netlify.app/>)

Sacred Prayers Translator (Personal Project)

Sacred Prayers Translator is a devotional tool that translates traditional Catholic prayers from English to Latin and Tagalog, complete with pronunciation guides to help deepen spiritual connection across languages.
